

**ANTICIPATED BUDGET AND STATEMENT OF FINANCIAL NEED**

It will be helpful to the Scholarship Committee to know the status of financial need. Therefore, an approximate budget of college costs and an estimate of available resources is requested. Each applicant should complete the statement of financial need at the bottom of this form. Include any obligations, and ability of the family to contribute to the costs of education.

Purpose: To foster academic excellence by providing deserving individuals assistance through scholarship funding for educational expenses. These scholarships are for one year to attend any accredited college, university, or vocational technical school. The program is administered by the Scholarship Committee of the National Guard Association of Maryland.

Scholarship awards up to \$1000 are available for recipients who are members of the Maryland National Guard or dependents in a full-time or part-time student status. The grant may be used for tuition, fees and books during one academic year.

Guard member or guard member sponsor must be a current member of either the National Guard Association of Maryland or Maryland Enlisted Association of the United States.

The recipient of a scholarship may be given the award in subsequent years; however, the individual must compete for the scholarship on the same basis as a first-time applicant.
